

Amerigo Vespucci  
By Joseph Francia and Kevin Ramponi

Yo, Yo this is how it all began,  
Amergio Vespucci, an Italian, sailed to an unknown land.  
He sailed for Portugal.  
He sailed for Spain  
In 1497, he sailed to Venezuela  
And caused Mauricio's ancestor's lots of pain.  
He did it for the money, and he did it for the fame...  
Yo, Yo, Yeah... Check it out, Boy!
